

Lexicomp Shortcut and Access via your clinic network

Once we **add** your IP addresses to the online subscription, you will be able to access the information without the need to login. To make using the software even easier, please select one of the standard ways to access online:

1. Create a link from an established home page (or any web page that users are in the habit of going to for Clinic information). To do so, use the following URL in establishing the link: <http://online.lexi.com/lco/action/home>
2. Create a desktop shortcut. Go to Lexicomp Online <http://online.lexi.com/lco/action/home> and “drag and drop” onto your desktop the Lexicomp icon to the left of **https://** in the browsers address bar

If the IP addresses provided are correct, both of the above approaches will take users directly to Lexicomp Online.

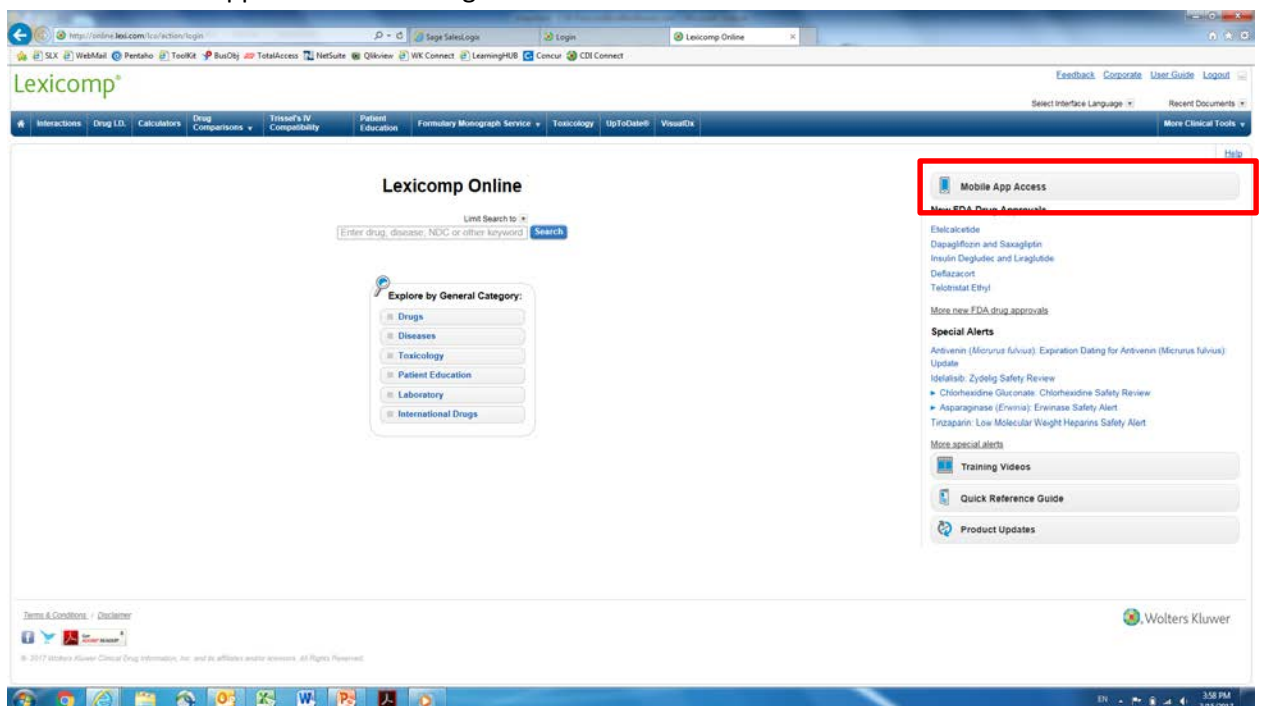

If the addresses are not correct, the users will be taken to the Login page and we will need to look further into receiving the correct IP addresses.

Mobile access and download

- Free Download from all mobile “app store” or “play store”. Search Term “Lexicomp”

Unlock the Lexicomp App

- (1) Go to the Lexicomp home page (<http://online.lexi.com/lco/action/home>) via your Web Browser.
- (2) Click on “Mobile App Access” on the right hand corner

The screenshot shows the Lexicomp Online website interface. The main content area features a search bar and a section titled "Explore by General Category" with buttons for Drugs, Diseases, Toxicology, Patient Education, Laboratory, and International Drugs. On the right side, there is a sidebar with various links, including "Mobile App Access" which is highlighted with a red rectangular box. Other sidebar links include "New FDA Drug Approvals", "Special Alerts", "Training Videos", "Quick Reference Guide", and "Product Updates". The footer contains the Wolters Kluwer logo and copyright information.

- (3) Select your mobile device
- (4) Select existing customer
- (5) Your personal activation code will appear

The screenshot displays the Wolters Kluwer website interface for activating the Lexicomp app. At the top, the Wolters Kluwer logo and 'Clinical Drug Information' are visible. A blue box on the left says 'Access Your Lexicomp App' with instructions to follow the steps to access the app. A white form in the center has two dropdown menus: 'Select your platform:' with 'iPhone/iPod touch/iPad' selected, and 'Are you a new or existing customer?' with 'Existing (already have the app)' selected. Below this, a white box titled 'iPhone™, iPod® touch, & iPad™ Instructions' provides details on how to access the software and notes the 'Authorization Code: 4YV2VM2JR2UZ'. At the bottom, it says 'Step 1 - Add Subscription to Your Account'. The browser's address bar shows the URL 'http://www.wolterskluwercl.com/cdi/codes/turnkeyinfo4YV2VM2JR2UZ' and the system tray at the bottom right shows the time as 4:00 PM on 1/13/2017.
